(480) 899-9876

What to Expect

Pre-Template – It is your responsibility to complete the following:

- Disconnect plumbing
- Demo existing countertops/splashes (optional service for additional cost)
- Install and/or level cabinets
- Install farm sinks
- Overhangs or special designs determined and conveyed to Custom Stone Works.
- Edge profiles selected and conveyed to Custom Stone Works.

Template

- Please have all sinks and flush mount cooktops on job site for pick up on day of template.
- Custom Stone Works will measure, template and/or subtop depending on project scope.
- Time required for template will vary based on project scope.
- Final decisions and/or changes must be conveyed at this time. Job will go to production after template and no additional changes can be made.

Pre-Installation - It is your responsibility to complete the following:

- Remove drawers from cabinets
- Remove items from lower cabinets
- Bathroom vanities – remove wall mirrors

Installation

- Set countertops and backsplashes
- Mount undermount sink to countertop
- Custom Stone Works does not connect plumbing.

Post-Installation - It is your responsibility to complete the following:

- Mount dishwasher to new bracket
- Mount drop-in sink
- Reconnect plumbing/dishwasher/disposal etc. (Recommended 24 hours after install.)
- Drywall/paint touch-ups may be required.

If you have any questions regarding this document, please reach out to your Sales Representative prior to your scheduled template.
